(half the class)

### Term Dates 2019

#### Term 1

Last day—  
Fri 12th April

#### Term 2

30/04/19—05/07/19

#### Term 3

23/07/19—27/09/19

#### Term 4

14/10/19—18/12/19

#### Last day for students

Wednesday  
18th December 2019

**Dear Parents and Carers**

### Principal's Report

#### **BUILDING UPDATE**

The school's building project is moving into the early works stage and there will be a number of changes which will be happening over the next few months. I will do everything possible to ensure parents and students are aware of the changes ahead of time.

The changes which were implemented today are:

#### **Entry into the school**

The two new gates on Kent Road are now in operation and the 'old' access on Kent Road is now permanently closed;

There is no access to the main quadrangle or through the Kent Road carpark;

Traffic supervisors will monitor student access into the school each day to ensure safety;

All other entrances to the school remain the same;

**Parents are asked to remind their children that the safest place to cross Kent Road is at the pedestrian crossing.**

#### **Kindergarten and Year One Before School**

There are **no changes** to the Kindergarten and Year One organization before school.

#### **Years Two-Six Before School Organisation**

Before school, students in Years 2-6 will place their bags in a line at the bottom of their classroom steps when they arrive at school and then play on the grass in the Years 1-2 playground (please note the climbing equipment is not to be used before school as the dew makes it too slippery);

When the music starts at 9.03am all students will **walk** to their classroom and line up with their bags;

**Students who arrive before supervision commences at 8.35 will sit on the aluminium seats near OOSH, where Year Two students eat lunch, until the teacher on duty arrives.**

#### **Band Program and Music Rooms**

Students in band and classes attending music lessons will enter via the ramp near the uniform shop or from the lower grassed playground.

#### **K-2 ASSEMBLY**

On Friday morning we will hold an assembly for students in Kindergarten, Year One and Year Two in the assembly hall starting at 9.10am.

**Entry into the assembly hall will be through the back doors.**

Students who have reached Gold Medal level will receive their medal at the assembly on Friday. The assembly will be hosted by the Year Six student leaders. Parents are welcome to attend.

*Denise Minifie*

Principal

Kindergarten students have been working so hard in the classroom. It's hard to believe we are already in our fifth week of school.

We have been learning all about Kent's Rules.

We know how to:

- ◆ Put up our hand
- ◆ Be kind to others
- ◆ Walk quietly in two lines
- ◆ Use equipment correctly
- ◆ Take care of the school
- ◆ Help each other
- ◆ Use our manners

## Year 1 Science

In Science, 1L has been exploring how paper can be changed. We looked at how paper can be changed, and what can't be changed. In a previous lesson, we cut, folded, and glued a piece of A4 paper together to make it fit over our head. We learnt many things from this which helped us with our STEM task this week.

### YEAR ONE NEWS

For our STEM task, we had to use two pieces of A4 paper and some glue to make a tree. First, we spent some time discussing what we could do to the paper, and what parts of the tree we could make. When we decided how we would make our tree, we drew a labelled diagram in our books and wrote some instructions to help us remember.

Then it was time for the fun part, making our tree! We made sure to follow our instructions and diagram carefully. However, some of us made changes on the way. It's always good to be flexible!

When we finished making our wonderful trees, we talked about what part of our plan worked well, and what we needed to change and why.

We loved seeing how our friends trees, and how differently we all thought of how to make them.

## YEAR TWO NEWS

2C have had a great start the year. There have already been so many events!

In class we have been writing information reports. This week we found facts about snails. After finding these facts we discussed how this information could be placed into different categories.

As we enjoyed learning so much about snails, we decided to make our own. Firstly, we drew our snails and outlined them. We then used a variety of watercolours to paint our snails. We were focusing on gently blending watercolours together.

This week we were lucky enough to participate in a Chinese Dragon Dance Workshop.

After we stretched, we were taught a lovely dance with gracious arm movements and partner work.

2C practiced the dance a number of times before the final performance. Half of us danced and the other half were able to hold a Chinese Dragon and move around the room. The dragon was a great addition to the dance. After everybody had danced and held the dragon we left the workshop with a great understanding of Chinese New Year and the importance of the Zodiac.

## **Key pedestrian safety messages**

At school, your child will learn about road safety as part of Personal Development, Health and Physical Education. Help them learn the pedestrian safety messages by using them and sharing them whenever you are out and about.

### **Students in Early Stage 1 and Stage 1**

- Hold a grown-up's hand when
  - ◇ you cross the road
  - ◇ you're on the footpath
  - ◇ you're in the car park

### **Students in Stage 2**

- Hold an adult's hand when you cross the road
- Use a safe place to cross the road

### **Students in Stage 3**

- Stop! Look! Listen! Think! every time you cross the road
- Use a safe place to cross the road

KENT ROAD PUBLIC SCHOOL P&C ASSOCIATION NEWS**KENT RD UNIFORM SHOP**

The Kent Road Uniform Shop is **open every Monday from 8.45am until 9.30am**. Alternatively, our online shop is always open. There is a link to the shop on the school website or you can use the link below <http://kentroadpublicschoolpcassociationuniformshop.vendecommerce.com>.

Once your order is ready it will be **delivered directly to your child in their classroom on either a Monday or Thursday depending on when you placed your order**. During peak times popular sizes may sell out. If this happens, we have the items on backorder delivered to your child's class as soon as they are available. Adding your child's name and class to your order will prevent delays.

We are **always looking for volunteers** to help out in the shop. If you could help out on the days listed below, please email us at [krpsuniformshop@gmail.com](mailto:krpsuniformshop@gmail.com). You can also use this email if you have any questions about your order.
