### Dear Parents and Carers, Principal's Report

#### **BUILDING WORKS**

Today the first of the new demountable classrooms has been installed in the top playground ready for the 2019 school year. Furniture and equipment will be moved from our existing library and primary classrooms into these demountable classrooms during the holidays.

The trenching work which started last week will continue on the weekend to allow plumbing and electrical services to be connected to the new demountable classrooms. The fences will remain in place as a new pathway will be created for access into the school from Kent Road.

Access throughout the school over the next two weeks will remain the same, though play areas may need to change depending upon the stage of the work.

#### **END OF YEAR SURVEY**

Parents are asked to complete a short survey regarding your experiences with the school in 2018, school initiatives and future targets. This information is very helpful for our planning. The link to the survey is: <https://www.surveymonkey.com/r/BCLQNBG>

#### **COLOUR RUN FUN DAY – TUESDAY 17<sup>th</sup> DECEMBER 1.30pm**

All students are invited to participate in a 'colour run – fun day' on Tuesday 17<sup>th</sup> December. The event will include an obstacle course and a lot of coloured powder! Please see the attached note.

#### **STAFF NEWS**

- Congratulations to Mr Harrison for his promotion to the new position of Deputy Principal at Kent Road through the merit selection process, a well-deserved recognition of his ongoing contribution to our school.
- Congratulations also to Mr Shaun Parsons who has become a permanent member of the Kent Road staff. Mr Parsons is the school's general assistant who has already undertaken a great many significant projects around the school.
- Congratulations to Mrs Noni Medcalf who, sadly for Kent Road, will leave us at the end of 2018 to take up a new permanent teaching position at Samuel Gilbert Public School, closer to her home. Mrs Medcalf started out at Kent Road as a Kindergarten teacher in 2005, and after returning from maternity leave took up the role of Learning and Support teacher. She has been a huge asset to our school in every role she has undertaken, most recently ensuring the effective delivery of the multilit program, introducing maqlit and minilit, and co-ordinating support and extension programs, our school learning support team and volunteers and leading the learning support team. Mrs Medcalf has trained dance groups every year for school performances, MADD night, and external events such as Granny Smith. I am sure you will all join me in thanking Mrs Medcalf for her contribution to the education of Kent Road students, and wish her all the very best for the future.

## Road safety

### Walking together safely to and from school

Walking to school and back home again is a great way to spend time with your children and encourage safe and healthy behaviours.

Here are a few things you can do to help keep your children safer as a pedestrian:

- Talk with your children about being alert in the road environment.
- Plan and practice your trip to school so you use pedestrian crossings where possible.
- Always hold your child's hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
- Meet your child near the school gate and don't call them from across the road.
- Explain why the place you have chosen is the safest place to cross.
- Remind your child to **STOP! LOOK! LISTEN! THINK!** every time they cross the road and keep checking until safely across.
- Talk to them about why they should stop, look, listen, think before crossing a driveway, road or carpark.

Young children can learn and practice these safe pedestrian behaviours with you. This will help them to be safer pedestrians when they are old enough to travel alone.

For more information on keeping our kids safe around schools visit the parents section on [safetytown.com.au](http://safetytown.com.au)

#### Messages to share with your children in Kindergarten to Year 2

- Hold a grown up's hand when:
  - you cross the road
  - you're on the footpath
  - you're in a car park

#### Messages to share with children in Years 3 to 6

- Use a safe place to cross the road
- **Stop! Look! Listen! Think!** every time you cross the road and keep checking until safely across

**STOP!**  
one step back from the kerb

**LOOK!**  
continuously both ways

**LISTEN!**  
for the sounds of approaching traffic

**THINK!**  
whether it is safe to cross and keep checking until safely across

Lives lost on NSW roads.  
Our goal is zero.

## Key pedestrian safety messages

At school, your child will learn about road safety as part of Personal Development, Health and Physical Education. Help them learn the pedestrian safety messages by using them and sharing them whenever you are out and about.

Dear Parents,

On Tuesday 18<sup>th</sup> December the school will be running a whole school Colour Run from 1.30pm in the Year 5-6 playground. This is a whole school event and all students will be attending. Students will participate by running a set course through fun obstacles including non-toxic colour spray powder.

Students are encouraged to wear an old white T-Shirt for the event to enhance the colour effect.

We look forward to sharing this fun event with you and your family.

Kind Regards,

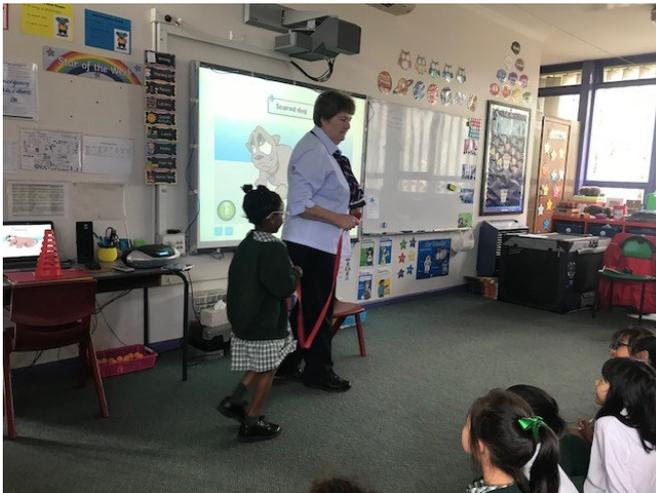

Ms Davina Kite, Miss Amy Brasier, Miss Stefanie Ison and Miss Amber Rogers

**KRPS  
COLOUR  
RUN  
2018**

Last week, Year One participated in a responsible pet owners program.

We engaged in role plays that taught us what a scared dog looks like and whether to approach it. A scared dog will have its tail between its legs, ears are down and it may even roll on its back.

Always remember "No owner, no lead, no touch"

## YEAR ONE NEWS

We also practised what to do when a dog is angry. We should stand still, with our hands by our sides and fingers together while looking down at the ground.

We met a very well-behaved dog named 'Tanner' who we practiced approaching and greeting. First, stand 3 steps away and ask the owner if you can pat their dog. After the owner has said yes, approach with the back of your hand held out for the dog to sniff. Then, you are able to stroke the dog's back.

# YEAR ONE NEWS

This semester, Year Two have been investigating different mixtures. They have also presented a variety of talks on mixtures. Some include: a colour wheel chart, comparison of cleaning products, mixing water with oil.

### COLOUR MIXING

Today we are going to talk about colour mixing.  
 Colour mixing is very simple and fun.  
 can make different colours by mixing main or primary colours together.  
 3 primary colours are: BLUE, RED, YELLOW

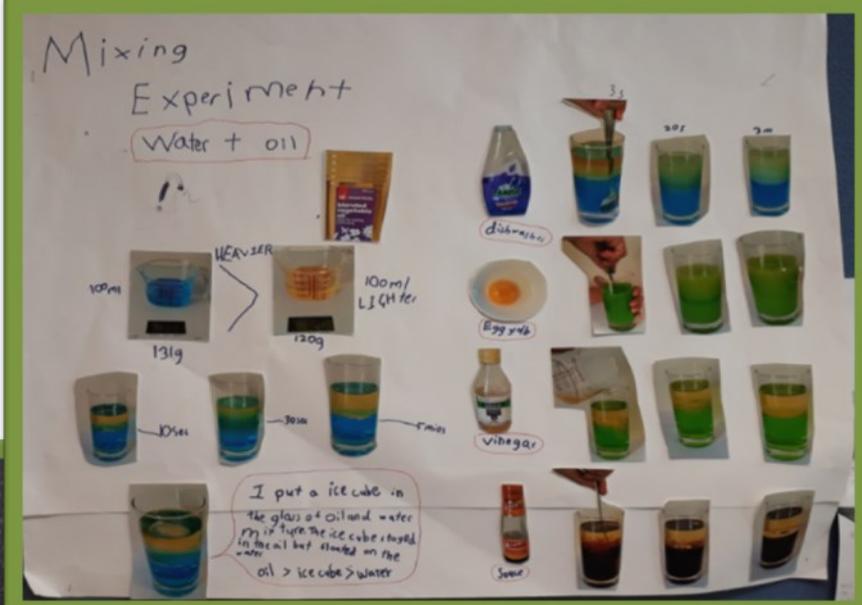

Some more colour mixings are:

- red + yellow → orange
- blue + yellow → green
- blue + red → purple
- blue + yellow + red = black

Thank you for listening I/W  
Arvin Nani

### Mixing Experiment

Water + oil

I put a ice cube in the glass of oil and water. If I turn the ice cube mixed in the oil but stayed on the water. oil > ice cube > water

### MIXTURES

**Observation**  
 There are holes shaped like bubbles inside English muffins.

**Hypothesis**  
 I think baking soda used in making English muffins creates the bubbles.

**Method**

Ingredients  
 Baking soda, food colouring, vinegar and washing detergent

- Put a spoon full of baking soda in a clear glass.
- Next squirt some detergent and food colouring on top.
- Third pour in some vinegar till it is halfway full.
- Watch what happens to the mixture!

**Results**  
 When the vinegar is mixed with the Baking soda, bubbles rise over the top of the glass.

**Explanation**  
 The chemical reaction between the vinegar and the baking soda lets out carbon dioxide gas. The gas then gets trapped in the bubbles.

### FLUFFY VS Cold Power

**FLUFFY**

- fabric softener
- conditions clothes or clean clothes
- white color
- Comes in a bottle and cap
- not for eating
- have chemicals
- mix well with water both (small) in

**Cold Power**

- Laundry liquid
- cleans the clothes
- light like

# **NORTH RYDE COMMUNITY AID FOOD DRIVE**

North Ryde Community Aid are in need of donations for their Annual Christmas Hampers this year.

These hampers are put together every year and go to local elderly, families and other people in our community who are doing it tough. Some of them rely on the hampers for their Christmas dinner and sometimes the hamper is the only gift they receive.

For various reasons, their donations are down this year, so they are very low on the following new and unopened items:

**Rice**  
**Pasta**  
**Pasta Sauce**  
**Tinned Fish**  
**Pudding**  
**Long life custard**  
**Tinned fruit**  
**Tinned vegies**  
**Long life milk**

If we could each bring just one item in (or more if you wish) imagine the difference we would be able to make just within our wonderful school community.

This is an inexpensive way to make a real contribution in supporting our local community this year.

All contributions need to be brought in to your child's classroom by Wednesday the 12<sup>th</sup> of December.

Thank you
